

Electronic Giving to the River City Faith Network

After the pandemic and fluctuations with USPS mail service that affected delivery of items in a timely manner, we noticed a number of individuals and churches who found that setting up a monthly, recurring giving option became ideal. Many of you have seen this as effective for other donations and payments as well.

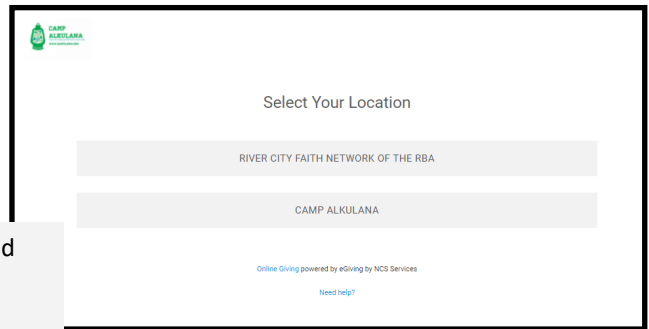

We would like to encourage you to review if this option may be a good fit for you to ensure your gifts to the RCFN make its way to us safely and timely.

Please review the information below and contact us with any questions!

Thank you, The River City Faith Network, 804-329-1701
